COATS FOR KIDS 2018

On the afternoon of Friday November 16, several members of the council met at Navos Lake Burien to distribute our boxes of Coats for Kids this year. We unloaded four boxes, with an additional two arriving Saturday for a total of six for the year.

The annual Ice Cream Social & Movie Night took place on November 3 in Unity Place, the film was Hidden Figures. A light spaghetti dinner was offered along with popcorn and ice cream. The total amount raised was \$251.

Please continue to visit local businesses for our raffle prizes. You can view where we've been on the website. We still need to start baskets.
