MARIAN PRAYER SERVICE

On September 13, the Knights hosted an evening prayer service in solidarity with persecuted Christians the world over, featuring the icon Our Lady Help of Persecuted Christians, created by Italian artist Fabrizio Diomedì. The service included a hymn, scripture readings, papal catechesis, the rosary, and Litany of Our Lady.

Our first breakfast of the year is coming up soon. Remember to be there! Bring an item or donation for Pregnancy Aid.

The second blood drive since the Knights took over the duties was held on September 23 from 11am-5pm in Unity Place. We had a better turnout this time with 19 showing up and 18 of those were able to donate, a good improvement from the last drive. Thank you to everyone that participated.

The Soccer Challenge is back this year. It was held at Moshier Field and 18 kids took turns making penalty kicks. The high score of the day was 135 points. No one made any 20 point shots, though a few came close.

We have several events coming up next month including the annual Pregnancy Aid Breakfast. Mark your calendars!
